

IN LINCOLN NEBRASKA JANUARY 23, 2010

A024 TRANSPONDERS FROM A TO Z

New Victorian Inn, 216 North 48th St., Lincoln, NE 1-402-464-4400

Rooms are \$55.00 Food will be catered in.

This class will cover On Board Programming, Cloning, Multi Vehicle Programmers, as well as some dedicated programmers for automotive transponders and remotes.

The instructor will also present an overview and discuss the latest tools and equipment for the foreign and domestic rate, so the instructor will provide the students with the latest information available. Due to the vast amount of information presented in this class that changes constantly, there will not be any hands on programming of vehicles for this class.

Prerequisite: Basic automotive locksmithing knowledge including making mechanical automotive first keys.

This class is not for just the locksmiths that work on cars all the time. This is to help every locksmith to gain knowledge of what is done to get the keys made and the cars programmed. Knowledge that one thinks he does not need today, finds out because he took this class, when the call comes in the future he will know how.

Maximum seating in class is 30 students. This will be a full class
As seats are already being taken. Call Ryan Andersen and confirm your seat.
